Mr. Bennett

The 12th Annual SuperSEAL and Sprint Triathlon benefiting the Navy SEAL Foundation, the Islanders Sports Foundation, the Coronado Optimists and the Ironman Foundation is scheduled for Sunday, March 18, 2018. We are expecting 1000/1200 athletes to compete at the Silver Strand Beach and Highway 75 venue.

As in yeears past, there will be a detour on Hwy 75. There will be two-way traffic in the northbound lanes of the highway from 6:00 am to 2:00 pm. If possible, please make your homeowners aware of this. We will be placing some signage along the highway to remind the motorists of the detour and the event.

Again, thank you for your assistance in getting the information out. We look forward to another exciting event.

Very respectfully,

Glenn Bohannon
