

Free July Fourth Cays to the Village Bus Service: Frequently Asked Questions

- **What:** The City of Coronado is providing a free round-trip on the 901 bus for Coronado Cays residents on the Fourth of July. This will help Coronado Cays residents enjoy Fourth of July festivities in Coronado Village while also helping to reduce traffic congestion.
- **When:** The Vouchers will be good for travel between the Coronado Cays and Coronado Village (one trip each way) on July 4, 2014 only. The first 901 bus departs the Coronado Cays at 5:25 am on July 4th, 2014 and the last 901 bus drops off at the Coronado Cays at 11:31 pm. After 7:25 am the bus runs approximately every 15 minutes. Please see the attached July 4th Route 901 Schedule and Route Map to help plan your trip (note that the route is diverted from Orange to C during the Parade hours). You can also visit the MTS Trip Planner tool at <http://www.sdmts.com/Tripplanner.asp>.
- **How does it work?** Each resident will need to pick up one red voucher and one blue voucher to participate in the program. The red voucher is for the trip to Coronado Village and will be accepted by the northbound 901 bus driver at the Coronado Cays bus stop only (located along Silver Strand Boulevard at the Coronado Cays). Hold on to your blue voucher for your return trip home. The blue voucher will be accepted at any southbound 901 bus stop on July 4th in Coronado Village and is good for travel to the 901 bus stop in front of the Coronado Cays.
- **Where do I get my tickets?** Vouchers will be available at the Coronado Cays HOA Office from June 30 – July 4.
