Tiger and Pink Floyd are stationary marine trash skimmers installed at the Coronado Cays Yacht Club in December. Both Skimmers were gifted to CCYC by Emerald Keepers in large part due to a grant from San Diego County's Neighborhood Reinvestment Program. Cared for by yacht club personnel, the skimmers are able to run 24/7/365 pumping 350 to 400 gallons of water per minute sucking in marine debris from the bay along with oil sheen.
